

608 Webb Street Springdale Heights NSW

4  2  2 

Harmonious family living is ensured in this large well-designed home that features 4 bedrooms and multiple living options.

All bedrooms are a great size - the master comprising huge ensuite with separate shower & sunken spa bath, built-in robes & ceiling fan. The other bedrooms also have built-in robes.

The living area features direct access to the decked atrium/sunroom, cathedral ceilings, split system A/C, wood fuel heating & ceiling fans and you'll keep warm in winter with ducted gas heating throughout the home.

There's also a large rumpus room for the kids upstairs or great guest accommodation, a timber entertaining deck overlooking the undercover pool and a study. The
